

Create your own story

This is a wonderful activity to do together - parents, carers, siblings, kids, grandparents, playgroups. Begin thinking up a story. Talk about characters, names, settings, plot lines. Who, What, Where, When, Why, How?

Bring your story to life!

Follow the steps below to make your own mini book

1. Start with a sheet of paper (A3 size works best)

2. Fold in half on the long side and open again

3. Fold in half on the short side

4. Fold back on the edge to the middle fold

5. Flip over and fold the other edge to the middle fold. The paper should look like a 'W'

6. Use scissors to cut along the center fold

7. Holding either side of the cut, push both sides down so the cut is along the top edge

8. Push all the way in

9. Fold the left edge over to create the cover.

Look you made a book!
